

## ABU Boots

With the Airman Battle Uniforms (ABU), wear plain black boots with laces. Boots must have a plain rounded toe, or rounded capped toe (with or without perforated seam). "Jungle" boots with black cloth inserts on the sides are acceptable (right). Boots should always be highly polished.

Wear plain black socks.

Boots should always be well-fitted and comfortable. It's important to insure that they are broken in before wearing them to weekend activities or encampment.

These black boots are no longer available at Military Clothing Sales Stores at the local Air Force bases.

### **Local stores**

Big Five and WalMart stores carry basic black boots like these, and can usually be found for around \$35.

Doughboys Surplus, 9826 E. Artesia Blvd. in Bellflower currently has them for \$40.
